CLERK: Mr. President, I move we recess till 1:30.

PRESIDENT: Senator Fowler.

(mic inactivated)

SENATOR FOWLER: . . . for the Clerk on 443. The bill has been advanced off Select File before. I think for an amendment to be adopted it has to be advanced to E & R engrossing and then brought back.

SENATOR DWORAK: We have E & R amendments.

SENATOR FOWLER: Yeah, well that's the second time it's been on Select File for E & R amendments. I think it should be advanced.

CLERK: That is correct, Mr. President, so the bill should properly be advanced.

SENATOR DWORAK: I move the advancement of LB 443 to E & R for engrossment.

PRESIDENT: Discussion? All those in favor say aye, contrary nay. The bill is advanced. There's a motion to recess till 1:30. All those in favor say aye, contrary nay. We're recessed till 1:30.
